Description of educational activities to be conducted:

A Reminder to Teachers and Chaperones While Visiting Assateague ...

- Please be respectful of other visitors and staff during your visit. Adult chaperones are responsible for discipline.
- Please remember that the Toms Cove Visitor Center is small, try to only bring groups of 15 into the building at a time.
- Discuss area rules and regulations with the group before your visit.
- Collection of live plants or animals is prohibited on the island.
- Do not pet or feed horses or any wildlife.
- Do not climb on sand dunes. Treat Assateague with care!
- Insect repellent, sunscreen, and water are necessities during the warm season.

Please remember that donations support educational programming and supplies. Help support these programs by donating today.
